WABAG secures a ‘Large’ Order from BPCL towards Industrial Water Treatment Facilities

Chennai, January 13, 2026: VA TECH WABAG (‘WABAG’), a leading pure-play Water Technology Multinational Group, continues to strengthen its leadership in the Industrial Water Treatment segment by securing a ‘Large’ order from Bharat Petroleum Corporation Limited (‘BPCL’) towards Advanced Technology Water Treatment Facilities for the Bina Petchem and Refinery Expansion Project at Bina, Madhya Pradesh, India.

The order comprises a comprehensive Water Block Package, including a Raw Water Treatment Plant (‘RWTP’), a Reverse Osmosis based Demineralization Plant (‘RODMP’), and a Zero Liquid Discharge Plant (‘ZLDP’) for the BPCL Bina Refinery. WABAG will undertake the Design, Engineering, Procurement, Construction, Installation, Testing, and Commissioning (‘EPC’) of facilities. The project is scheduled to be executed over a period of 22 months.

Commenting on this development, Mr. S Natrajan, Head – Sales & Marketing, India Cluster, said, “We are delighted to receive this ‘Large’ industrial water treatment order, including a ZLD solution from BPCL, and sincerely thank them for the confidence reposed in WABAG’s technological expertise and execution capabilities. This award further reinforces WABAG’s leadership position in the Oil & Gas sector and underscores our strong track record in delivering complex, technology-intensive water projects. We remain fully committed to executing this state-of-the-art project to the highest standards of quality, reliability, and operational performance.”

Order Classification	Small	Medium	Large	Major	Mega
Domestic (in INR Crores)	Upto 100	100 to 250	250 to 600	600 to 1,000	Above 1,000
International (In USD Millions)	Upto 10	10 to 30	30 to 75	75 to 150	Above 150
